## *An insider's guide to surgical and non-surgical*

*Ricky Allen opens her big black book and shares her pick of  
top doctors, dentists, clinics and spas.*

### **SURGICAL**

#### **BEST FOR FACES AND NOSES**

*New South Wales*

**Dr Warwick Nettle**

Plastic surgeon

Dr Nettle decided early in his career that faces were his love. Not only does he help his patients look younger but the women prettier and the men decidedly more handsome. You may even see a Hollywood star entering or leaving his premises. His pre-operation planning is meticulous.

**(02) 9387 3900**

**[www.silkwoodmedical.com.au](http://www.silkwoodmedical.com.au)**

*Victoria*

**Dr Chris Moss**

Plastic surgeon

Dr Moss has built up a very large following, both nationally and internationally, for his work on faces and noses. He originally trained with some of the top face doctors and now trains new doctors in this specialised area. His patients constantly sing his praises, as they always look better and younger, but also very natural. Dr Moss also owns Liberty Belle Skin Centre, which allows his patients full care for all their facial needs.

#### **BEST FOR FACES AND BREASTS**

*New South Wales*

**Dr Steven Liew**

Plastic surgeon

Working his magic using surgical and non-surgical procedures, Dr Liew ensures that his patients get the best result no matter what their age or facial concern. He is regarded internationally for his techniques, which deliver natural results. Even Hollywood doctors regularly spend time at his clinic studying his work. You have probably seen the evidence of his techniques on the faces of some of Hollywood's most beautiful stars.

**[www.shapeclinic.com.au](http://www.shapeclinic.com.au)**

#### **BEST FOR BREASTS**

*New South Wales*

**Dr Michael Miroshnik**

Plastic surgeon

Fast gaining a reputation as a breast man, Dr Miroshnik has a very stylish clinic in Bondi Junction and an excellent bedside manner. Dr Miroshnik uses a full range of augments and tailors their use to his clients' specific needs. He also performs other types of breast

surgery, including lifts and reductions. The clinic offers non-surgical treatments and a full range of surgical cosmetic procedures.

**1300 889 050**

**[www.drmiroshnik.com.au](http://www.drmiroshnik.com.au)**

*Victoria*

**Dr Richard Rahdon**

Plastic surgeon

Dr Richard Rahdon trained in General Surgery, and gained significant experience with breast cancer surgery, before going on to specialise in plastic surgery, so he has a great knowledge of all the breast procedures and latest techniques. He and his efficient and caring staff deliver excellent service to all their patients, whether they're having cosmetic or reconstructive breastwork. Dr Rahdon also owns an award-winning medspa, the Body Recon Cosmetic Clinic.

**(03) 5221 3739 or (03) 5221 1747  
for the Cosmetic Clinic.**

*Queensland*

**Dr Raja Sawhney**

Plastic surgeon

Dr Sawhney favours a multi-tiered approach to breast surgery, delivering the best results from an appearance point-of-view but also from a healing aspect. He performs

augmentations, reductions and lifts as well as reconstructive work. Dr Sawhney treats each patient as an individual and modifies his surgical techniques to suit. His clinic also offers a comprehensive range of non-surgical treatments.

### BEST NEW NATIONAL BREAST CENTRE

*Western Australia*

Assure Breast Centre  
(a first for Australia)

A dedicated cosmetic breast clinic, Assure Breast Centre offers a full range of breast surgery options and is headed by nurse consultant Jill Brady, who assists in taking the patients through the journey from initial consultation to post-surgery recovery. The clinic is manned by the plastic surgeons from the Western Australian Plastic Surgery Centre. Having breast surgery can be a daunting experience but the team at the Assure Breast Centre ensure that the whole process is a positive one. **(08) 9380 0399**

**[www.assurebreastcentre.com.au](http://www.assurebreastcentre.com.au)**

### BEST FOR NOSES AND BREASTS

*New South Wales*

Dr Kourosch Tavakoli  
Plastic surgeon

Dr Tavakoli grew up wanting to be a plastic surgeon and from his medical student days was assisting some of the best surgeons. He specialises in augments and rhinoplasties, believing these procedures can make the most positive impact on a woman's appearance. He uses finely tuned techniques and finds they give excellent results for his patients. **(02) 9629 6422 or 1300 368 107 for interstate calls.**

### BEST FOR BREASTS AND FACES

*Australian Capital Territory*

Dr Tony Tonks  
Plastic surgeon

Dr Tonks, together with his highly trained and very empathetic staff, delivers both cutting-edge cosmetic enhancement and reconstructive surgery. His clinic also offers non-surgical treatments. Dr Tonks is the previous head of a plastic surgery department, so his technical skills for all procedures are excellent. With a surgical facility on site, Dr Tonks is able to deliver a one-stop service of excellence.

**(02) 6282 4868**

**[canberraplasticsurgery.com.au](http://canberraplasticsurgery.com.au)**

*New South Wales*

Dr Steve Merten

Plastic surgeon

Dr Merten offers a full range of cosmetic enhancement and reconstructive procedures in his clinic. From abdominoplasty through to facelifting and breast augmentation, reduction, lifts and reconstruction. He and his staff are kind and caring in manner so no matter how serious the concern they are able to deliver a stress free result. Dr Merten is also affiliated with the Macquarie University Hospital non-surgical clinic

**(02) 9252 9262**

**[www.pureaesthetics.com.au](http://www.pureaesthetics.com.au)**

*Western Australia*

Dr Brigid Corrigan, Dr Mark Hanikeri, Dr Rohan Page, Dr James Savundra, Dr Lip Teh, Dr Vij Vijayasekaran AM, Dr Anthony Williams, Plastic surgeons

The Western Australian Plastic Surgery Centre is a unique clinic offering a full range of cosmetic and reconstructive procedures, as well as non-surgical treatments. In fact, whatever your aesthetic needs they can be met by the highly trained staff. Having a group of plastic surgeons allows the clinic to be staffed at all times and each of the plastic surgeons has their own area of expertise, all with an excellent understanding of aesthetic detail. You know you're in capable hands.

### BEST FOR FAT AUGMENTATION, FOR BREASTS AND FACES

*New South Wales*

Dr Steve Merten

Plastic surgeon

While offering everything from abdominoplasty through to facelifting and breast augmentation, reduction, lifts and reconstruction, Dr Merten and his staff are kind and caring in their manner, so no matter how serious the concern they are able to deliver a stress-free experience. Dr Merten is also affiliated with the Macquarie University Hospital non-surgical clinic.

**(02) 9252 9262**

**[www.pureaesthetics.com.au](http://www.pureaesthetics.com.au)**

### BEST FOR FAT AUGMENTATION TO FACE AND BREASTS WHILE PRESERVING STEM CELLS

*Queensland*

Dr David Chin

Plastic surgeon

With a PhD in plastics, all the other relevant medical training, and expertise in the area of fat augmentation involving the preservation of fat cells, it is no surprise to find Dr Chin on the international teaching circuit. He augments fat in the breast and face, and with the preservation of the stem cells, his results only get better.
